February 2026 | Factsheet

WS Keyridge UK Equity and Bond Income Fund

KEYRIDGE ASSET MANAGEMENT

About the fund

The Fund aims to provide an income and the potential for capital growth, over any five-year period, after all costs and charges have been taken. The Fund's comparator benchmark is the Bloomberg UK Large, Mid & Small Cap Total Return Index.

Fund performance

5 Years or since inception for funds with less than 5 years performance.

Important information

This document is issued for information only by Keyridge Asset Management. This document does not constitute a direct offer to anyone, or a solicitation by anyone, to subscribe for shares or buy units in fund(s). Subscription for shares and buying units in the fund(s) must only be made on the basis of the latest Prospectus and the Key Investor Information Document (KIID) available at https://www.keyridge.com. No guarantee, warranty or representation (express or implied) is given as to the document's accuracy or completeness. Data Source - © 2026 Morningstar, Inc. All Rights Reserved. The information contained herein: (1) is proprietary to Morningstar and/or its content providers; (2) may not be copied or distributed; and (3) is not warranted to be accurate, complete or timely. Neither Morningstar nor its content providers are responsible for any damages or losses arising from any use of this information.

The Distribution Yield reflects the amounts that may be expected to be distributed over the next twelve months as a percentage of the mid-market unit price of the fund as at the date shown. It is based on a snapshot of the portfolio on that day. It does not include any preliminary charges and investors may be subject to tax on distributions.

The Historic Yield reflects distributions declared over the past twelve months as a percentage of the mid-market unit price, as at the date shown. It does not include any preliminary charge and investors may be subject to tax on their distribution.

For full details of the fund's risks, please see the latest prospectus and the Key Investor Information Document (KIID). Other share classes are available.

Acc (accumulation) units retain and reinvest any income payable, within the fund, while Inc (income) units pay this income directly to fund holders as cash.
